UNITED STATES CROQUET ASSOCIATION

The MacRobertson Shield (MacRob) is the most prestigious tournament in croquet. It is the *Olympics of Croquet*. It is the top tier of the World Team Championships.

It pits teams from England, Australia, New Zealand, and America against each other. See the history of the MacRob.

This year, for only the second time in history, the MacRob will be hosted by the United States Croquet Association (USCA). This is a great honor and responsibility of the USCA. The MacRob will be held on April 18 to May 4 at the Mission Hills Country Club in Rancho Mirage, CA. See the MacRob website for more details.

The USCA needs your financial support to mount this important event. Please help make this the best MacRob ever held.

Donations are payable to the USCA, and earmarked "MacRob 2017".

The USCA is a Non-Profit 501(c) 3 Association and ALL donations are Tax Deductible.
