

Greenwich Croquet Club Spring Fling
April 27-28, 2013
Member & Guest American Rules Club Tournament

The grass finally realized that spring had arrived in Greenwich CT, and given the close proximity to Long Island Sound, hurricane Sandy had not spread a heavy sea water spray on the courts.

We had a small but enthusiastic crowd and bright blue skies in the mid 60's. Couldn't wish for better weather. Gratefully, a mix of hard core players, returning stars, and some infrequent players turned up for two days of fun, and those of us who had not played since last autumn had a chance to get in the swing, as it were.

Tournament Director Bill Duncan mixed high-low doubles (with a lot of mentoring to higher handicap players) with two flights of singles. Bill Duncan & the Scanlans (both Brian & Cynthia) won Doubles; Bill also won championship singles; and Tom Duffy won First Flight Singles. Full results are available at greenwichcroquet.com.
