

Northeast Regionals 2011

September 28 to October 1

The NER was hosted this year by the Lenox Croquet Club and held on their lawns at the Lenox Club. After a pleasant welcome party in the Lenox Club tap room, eighteen players participated and play was evenly matched and intense as all dodged the rain with grace and humor. In Second Flight, the student players of New Paltz dominated with the highest seed, Brian Davidson, coming out of the blocks in third to prevail as tournament winner. First Flight was a tight block, but Pat Colt left all of us in the mist to fight for runner up. In Championship, it was clear from early on the Chris Loat and David McCoy were the zero handicaps to beat. With only one loss between them in the blocks, they seemed destined to meet at the top of the ladder. There David McCoy avenged his block loss to Chris Loat to take top honors. We wish all headed to the Nationals good games and true shots.
