PACIFIC CUP
ASSOCIATION RULES
SEPTEMBER 8TH - 11th
KIRKLAND, WASHINGTON

The [Puget Sound Croquet Club](#) hosted the 2011 Pacific Cup on three championship lawns in Kirkland, WA. The weather was marvelous, with temperatures in the eighties, and not a cloud in the sky. When it's beautiful in the Pacific Northwest, there's no better place to be.

Thirteen players from Washington, Oregon, Idaho, California, Texas, Hawaii, and Canada, participated in three days of a partial round-robin block. On the fourth day, eight players advanced to a single-elimination knockout, and a plate. Patrick Sweeney of Oregon directed, and played in, the tournament. Advanced Association Rules were followed. Sunshiny CQ-16 balls were used. Matches were one game of two hours and fifteen minutes, except the final. Conditions were difficult, with slow and bumpy lawns.

Leo Nikora of California defeated Carl Uhlman of Washington to win the Pacific Cup. Their match was played to the peg, and lasted three hours and forty five minutes. Pictured is Leo Nikora (left) receiving the cup from Patrick Sweeney (right). Jim Bast of Texas and Gary Anderson of Washington tied for third place. In the biggest upset of the tournament, Anderson beat Chris Percival-Smith of Canada, who was last year's winner, and had been undefeated in this year's block play.

Chris Percival-Smith of Canada defeated Patrick Sweeney of Oregon to win the plate.
