

**Children's Croquet Club Championships held at the Hillsboro Club
August 4, 2012**

Twenty-five children ranging in age from 5 to 14 competed in the first annual Children's Croquet Summer Club Championships held recently at the Hillsboro Club in Hillsboro Beach, Florida.

With the popularity of golf croquet continuing to expand during both the summer and winter seasons at the Hillsboro Club, it was time for the children to take center stage with their parents on the sidelines cheering them on.

The tournament featured a double elimination open doubles format with games played to 4 points. The teams were divided into age divisions including, 6 & under, 7 to 9, and 10 to 14. With just 3 participants in the 6 & under category, this event was adjusted into a singles competition with each player playing one ball in each of their respective matches.
