

**Edgartown Croquet Club Invitational  
August 12-14, 2012  
Edgartown, MA**

The Edgartown Croquet Club on Martha's Vineyard, MA held its annual Invitational singles tournament Aug. 12-14. Gerry McCauley won the Championship/First flight, and Bill Elbow, playing in his first singles tournament, took top honors in Second/Third flight. Jim Turner and Clark Sole were runners-up in Championship/First and Second/Third flights, respectively.

Unfortunately our club publicist and photographer, Edie Blake had no time for photographs and write-up as she was caught up in the media blitz surrounding Jaws Fest 2012 here on "Amity" island. Edie was chief photographer during the making of Jaws in 1975, and is still in demand whenever the making of the movie is discussed. Edie would have produced a far more entertaining write-up than I have.
