

2012 PGA PEYTON BALLENGER INVITATIONAL

PGA National, Palm Beach Gardens, FL

February 7-11, 2012

While the forecast for the event was nothing but gloom and doom, the tournament was completed today on schedule and under cloudy but kind skies. Fifty-six participants were involved and, as always, the tournament was highlighted by the traditional court-side evening affairs. A great opening dinner and an equally nice awards ceremony lunch, both held at the Member's Club, bracketed the actual play. A full report may be found in the next edition on the USCA Croquet News and, until then, the Final Order of Finish may be found below. (Final's game score next to winner's name.)
