

THE 2013 MAR-A-LAGO CLUB SINGLES INVITATIONAL

Palm Beach, Florida

March 28-30, 2013

While the field may have been smaller than normal, mostly due to an unexpected number of late cancellations, that due to the sudden complications inherent within a holiday weekend, the players at hand proved to be a wonderful group. Great sportsmanship flourished throughout and, as planned, the joy of croquet outweighed any intense desire for victory. The weather was perfect and The Mar-a-Lago Club impressed all with both the hospitality and cuisine.

Some faired better than others upon the two beautiful lawns, but all enjoyed one of the most serene and relaxing venues to ever offer croquet. The Mar-a-Lago Club congratulates the winners, but equally thanks all of those who joined us for a wonderful three days of camaraderie and competition. The Club hopes that everyone can return next year for either the Doubles or Singles event. Or, better yet, both!
