Michael Todorovich and Bob Crouch

On June 11-12 a solid field of 12 players consisting of two championship blocks of 6 players competed over two days of unpredictable weather for the NCC series of 6 wicket and golf croquet events. Most players were local with some traveling over 3hrs to play the event. There were four players in the golf croquet event. Handicaps for this event were anywhere from -1 to 12 and there were some upsets in block play.

At the end of block play on Sunday morning the top four players from each block played off in the knockout quarterfinals. In the first round Mike Todorovich advanced over Stephen Grassbaugh. Ray Liberti advanced over Rick Landry. Landry up by 8 wickets in last turn, Liberti hits a 50ft roquet and rattles off ten wickets for a two wicket win 18-16. It was the turn of the competition. Bob Crouch bested Linda Del Santos and Dick Scherf won out over Bill Trower.

In The semi-finals Mike Todorovich proved to be too much for Ray Liberti and won 26-3. In the other semi-final Bob Crouch beat Dick Scherf.

In the final once again Todorovich proved to be too strong and went on to beat Bob Crouch 26-3.

In the Golf Croquet event there were three rounds played each day with spirited competition and a lot of laughs and great shots. The overall winner was Sue Varey. Special thanks to Rick Landry putting together the draw sheets and making sure the courts were all ready to go for play each day. Also, Bill Trower for his work as well as arranging the food and drinks for all to enjoy.

The next event will take place on July 16-17. If you are interested please call Bill Trower at 561-523-3535.

TD: Rick Landry
