

NCC Club Singles Championship

West Palm Beach, FL

Jan 15-17, 2016

Even the threat of tornados could not stop the 'gem' tournament of the 2015-2016 season - the "NCC Championship Singles". Despite early rain on Friday morning and a super storm on Friday afternoon, this dedicated group of true croquet players braved all conditions to put on fine and very competitive tournament. Championship Flight was especially tight and a long distance hit-in followed by an amazing two-ball break Stephen Morgan to victory in the final match of the day.

In other flights there were similar battles being fought and First Flight was both strong and unexpected with fine performances all round. Second and Third Flights were enjoyable to watch, solid in execution but often

frustrating around the wickets. But certainly the game never hesitated once and truly deserved their applause.

Once again the "Champ Singles" has proved itself to be "the" place to play really exceptional croquet.

Final Standings
