

**The 2016 USCA Southeast Regional Tournament
Pinehurst, NC
May 12-15**

The 2016 USCA Southeast Regional Tournament was held on four courts over four days at the Pinehurst Resort & Country Club in the North Carolina sandhills. The field of 29 players came from across the Southeast and Florida. The Country Club of Jackson (Mississippi), a USCA member club for less than three years, made a strong debut by taking all the winners' trophies in Championship Flight. Mark Fields and Ed Becker teamed to win the doubles, and Fields won the singles.

In First Flight, Mike Kearns of the Red Stick Croquet Club in Baton Rouge teamed with Pinehurst local (and last-second fill-in) June Jefferys to win the doubles. Another Pinehurst local, Mike Conry, found time between managing court set-up and take-down to win the singles
