Steve Mossbrook, Sherif Abdelwahab, Wayne Davies

Well a great event is now done and dusted, culminating with a wonderful lunch whilst watching the singles finals that were being played on lawns 2 and 3.

Sherif's hard and straight hitting in the end proved the match winning obstacle that Jeff couldn't quite overcome, although he did manage to win the 2nd game 7/2.

As equaling enthralling a match was going on at the same time between Blake Fields and Bill Fraser, and young Blake showed his metal with some long hoop shots bringing home the bacon!

A special thanks go out to all those who did so much behind the scenes to make this such a great spectacle!!
