Danny Huneycutt, Randy Cardo, Rich Lamm

An exciting week of tournament play has just concluded this weekend here at the Mission Hills Country Club. 31 Players had entered, and were treated to great lawn conditions and absolutely fabulous weather all week.

In the Championship Singles Stephen Morgan beat Randy Cardo to make it unbeaten to the final. Sherif Abdelwahab then played wonderfully to overcome firstly Danny Huneycutt and then Randy Cardo in the backdraw to also advance to the final.

Stephen was in the box seat, as his opponent needed to win 2 games to claim the title, as opposed to Stephen's 1 game as he was the unbeaten player.

But odds obviously meant nothing to Sherif, who played with precision and ease showing absolutely no signs of nervousness at all as he went on to claim the necessary 2 games to claim his first National Singles crown!
