The Ladies of ECC came through in the 2018 USCA Singles Tournament. Through 3 picture perfect days of croquet, Gerry McCauley, the lone lady in the championship flight playing against Jim, Bill, and Huston, cruised to victory over Jim in the final.

In the first flight, Kevin was outnumbered by the ladies. Thanks to Margo for playing with really no practice and with great stamina in her 3 matches on her first day. In a close final, Collins edged out Sandy so both Turners went home with second place.
